- TeamTalk™
- Hotspots
- Viewing Floorplans
- Previewing Slideshows
- The Photo Viewer
- Emailing, Printing & Commenting on Photos
- Shoot Types
- Project People
- Activity Search
- See Video Demonstration of Help

Just as the Multivista System allows access to your project documentation via a secure internet connection 24/7, Multivista's Online Help portal is always available for your reference. As a current client, you already have access to this and other features incorporated into Multivista's Exact-Built® documentation system.
